

THE WATERFORD TIMES

11th Edition

MAY 2013

We have some exciting news here at Waterford Stud- to those of you who haven't heard, Monde has been given the opportunity to compete in the toughest and longest horse race in the world...The Mongol Derby. He is so thrilled to be given the opportunity and we are all confident that he will be a great ambassador for our country. I can bet my bottom dollar that he will have those wild Mongolian ponies eating out of the palm of his hand in no time! It takes a huge amount of effort and capital to make this man's dream come true. Our fund-raising is going well and we are a third of the way there...but not home and dry yet. Thank you to all of you who have helped. We appreciate all the effort-no matter how small the contribution, it all helps.

Monde riding his beautiful Boerperd gelding, Legend

HELP US MAKE HISTORY

MONDE COULD BECOME THE FIRST BLACK MAN TO COMPETE IN THE LONGEST, TOUGHEST HORSE RACE IN THE WORLD

Buy a ticket in support of getting Monde to the 2013 Mongol Derby, and Stand a chance to Win this Magnificent Waterford Arab Gelding OR a weeks stay at the beautiful Penwarn Country Lodge! If you would rather

not take part in the raffle and would prefer to give a donation, that would be so appreciated. For more information about Monde, the Mongol Derby and how you can help make this special mans' dream come true, please email us at - stables@waterfordfarm.co.za

www.waterfordfarm.co.za | www.penwarn.co.za

Terms and Conditions Apply.

In order to help Monde raise funds for his adventure, Waterford Stud and Penwarn Country Lodge are hosting a raffle. The winner of the raffle will win a stunning purebred Arab gelding. We all know that not everyone can keep and care for a horse, therefore we have an alternative first prize- a week's stay for two at the stunning Penwarn Country Lodge. Now, how amazing does that sound!

If you would like to make a donation, or purchase a raffle ticket please email me and I will send you the banking details.

FOALS 2013

What a gorgeous Arab filly. Spirit Winter was born whilst we were having some snow. Her dam is the ever so attractive Spirit Sahara and her sire is Banghor Sharcoal.

This Percheron colt is by Gentle Giant Considerate and her dam is Gentle Giant Stretch.

HAPPY HOMES

Nimble Skipper and Waterford Brumby left us in April. They went to Ally in Ashburton and will be trained for Western Riding- good luck Ally.

Derek De La Harpe and Waterford Africa showing us how it is done. They have done Waterford Stud proud on the cross-country field. Well done Derek and Africa. We look forward to seeing some more action shots.

Calligmatic- showing such graceful and elegant moves in the dressage arena. Once the dressage test is over, he is all too keen for a cuddle.

Gentle Giant Trucker and Gentle Giant Smelter enjoying their new home with Ria and Jan Scheepers.

Now this is how to ride a horse.... The Brand family having some fun with their horses at the beach.

Waterford Fulfilment, nicknamed Philly, just arrived in Zimbabwe.

THE FARMYARD

Oh how I love my job!!! One morning I will arrive to a new born foal and the next morning I will arrive to a ewe and her new born lambs.

Waterford Farm has recently acquired some Charolaise cattle. This is the latest offspring. How I just want to cuddle this little one!

STAYING CONNECTED

Don't forget to catch Waterford on our very own Facebook page, which is updated on a daily basis. The page can be found at www.facebook.com/WaterfordFarmSA.

You can also visit us on the Waterford website which can be found at www.waterfordfarm.co.za. We have uploaded some photos of our new colts and fillies we have for sale- there are some beauties! We have also created a Breeding Stallions page whereby you can see the stallions we have used over the years. If you are looking at our horses we have for sale, you can click on their sire and his photo will pop up.

HORSE OF THE MONTH

Our horse of the month is Waterford Tigger. He is a 4 year old home bred Dun pony. Tigger has sired some beautiful foals here at Waterford Stud. His stallion career is now finished and he has been gelded and is for sale. He will make a wonderful child's pony!

Our Waterford Duns have fascinating colours and wonderful temperaments. Our breeding programme is aimed at producing Duns that have zebra stripes down their legs and a dorsal stripe down their back. The breeding of these Duns here at Waterford all started when Pete acquired a Fjord pony and crossed her with some Dun Quarter Horses.

Currently, we have three Dun stallions- we are starting to breed taller Duns in order to have a wider range to offer our clients.

Till next month...

Your Waterford Family
